

Get involved in World Mission at Christ Church!

We are delighted to be partnering closely with our Mission Partners in prayer, financial support and a variety of other ways.

Some are overseas whilst others are more local, and they're all in need of our support. Many send individual mail updates for news and prayer support which are available to our church family through their My ChurchSuite account. Contact the church office to get connected.

Our love for God's world includes a commitment to Creation Care.

“Therefore go and make disciples of all nations, baptising them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you. And surely I am with you always, to the very end of the age.”

MISSION PARTNERS – LOCAL

Insight is a local charity providing Christian workers in primary and secondary schools across the Kingston borough. They take lessons, do assemblies, run Bible Clubs, and have partnered with us on our interactive events like the Christmas Journey and Easter Experience.

You can find out more information here: <http://www.insightkingston.com>

St Mary's, Summerstown. We are pleased to be partnering with a small but growing church in a challenging part of London. They have a particular focus on working with 11–14-year-olds after growing knife crime was reported among that vulnerable age group.

More info about the work of St Mary's can be found here: <https://www.summerstown.org.uk>

Tearfund and the Diocese of Kitgum, Uganda. We are supporting the work of Church and Community Transformation in the very impoverished North of the country, seeing individuals and whole villages changed through the practical outworking of the gospel.

More information about Tearfund and its work can be found here: <https://www.tearfund.org>

Open Doors serves persecuted Christians around the world by providing vital support, delivering resources and providing training.

We are partnering with them as we seek to stand in solidarity with our brothers and sisters who are suffering for their faith today.
